BRODHEAD.

Miss Nola Keisling, one of our society belles, left Wednesday morning on 25 to join her father, C. S. Keisling, in Knoxville. Miss Nola will be missed a great deal. Mrs. J. M. Blair, who has been visiting her mother, Mrs. C. S. Keisling for the past two weeks, has returned to her home at New Haven. Robt. G. Wilcott, who has been on the sick list is able to be out again, we are glad to say. Chas. Hurt is working nights at Cozatts. Mr. and Mrs. E. M. Hedges have returned home from Louisville and have taken rooms with Mrs. M. J. Durham.

G. S. Durham has returned home after a month's stay in Bowling Green and Hopkinsville. G. W. Brook, assistant foreman on bridges and buildings on the K. D. division, has received official notice that he has been appointed Foreman B and B on new road. We are glad that George has received promotion, but we dislike very much to give him and his most estimable wife up. They will leave Monday and make Knoxville their future home. We wish George and Bettie the best of life. J. W. Tate is in Lexington on business. Ed Sprowl, of Louisville, is spending a few days with his wife at the Frith Hotel. Capt. L. C. Smith was in Richmond first of the week on business. Mrs. L. C. Smith and son, Frank Emerson, are visiting in Junction City this week. Miss Pearl Collier, of Crab Orchard, was visiting Mrs. R. L. Collier first of the week. Mrs. Wm. Payne died at her home, at 7 a. m., Tuesday, of consumption. She had been a sufferer of that dreadful disease for three years. A husband and a six year old son are left to mourn the loss of a loving wife and mother. The remains were taken to Pine Hill Wednesday for interment. J. W. Hutcheson was in Salvisa Sunday to see his best. Mr. and Mrs. Jno. M. Crainor, of Waycross, Ga., are expected to be here last of the week. They have engaged rooms at Albright Hotel.

CONWAY

Farm hands are scarce and hard to find, even at good price.

Mr. John Berry, of Villa Grove, Ill., who has been visiting relatives here for past two months, will return home this week. We understand the fast train to be put on the 15th will stop here to take in Conway's famous drinking water for the benefit of the passengers. Mrs. Wm. Kelton and children, of Richmond, are visiting relatives here. D. C. Pellins will go to Laurel county next week in interest of his bee hive.

Our farmers are talking of planting corn. Don't be too hasty, remember Easter and dogwood winter is yet to come. Mr. M. L. Noe, of Paint Lick, was here this week buying hogs to feed for June market. Potato planting is about over in this section. Mr. M. L. Kelton has been appointed to collect the school taxes in this district, see him and pay up. The through "Cannon Ball" train, as they are called, will be put on this line April 15th. If you want to go some where and go quick, just step on one of them.

FORGET ABOUT YOUR STOMACH.

If your digestion is bad the vital organs of your body are not fed and nourished as they should be. They grow weak and invite disease. Kodol Dyspepsia Cure digests what you eat, cures indigestion and all stomach troubles. You forget you have a stomach from the very day you begin taking it. This is because it gets a rest--recuperates and gradually grows so strong and healthy that it troubles you no more. E. L. Babcock, Amherst, Minn., says: "I have taken a great many remedies for indigestion but have found nothing equal to Kodol Dyspepsia Cure." Kodol digests what you eat, cures indigestion, dyspepsia, sour stomach, belching, heart burn and all stomach troubles. Its preparation is the result of many years of research. Sold by the Mt. Vernon Drug Company.

A man wanted to buy a ticket to Lexington that cost \$3, but he had only \$2 in money; he took the \$2 and pawned it for \$1.50. On his way to the station he met a friend to whom he sold his pawn ticket for \$1.50. That gave him the \$3. Who was out the dollar in the transaction?

FOR WEAK DIGESTION.

No medicine can replace food, but Chamberlain's Stomach and Liver Tablets will help you to digest your food. It is not the quantity of food taken that gives strength and vigor to the system, but the amount digested and assimilated. If troubled with a weak digestion don't fail to give these Tablets a trial. Thousands have been benefited by their use. They only cost a quarter. For sale by Chas. C. Davis.

IN THE STATE

The Madisonville Commercial Club is taking steps looking to the building of a railroad from Providence to that place.

Dependent over her husband's continued inebriety, Mrs. Lucy Taylor, of Washington county, killed herself with carbolic acid.

Mrs. P. Baker, of Kansas City, Mo., has filed a claim to one-fourth of the estate of the late Thomas Lyons, of Lexington, who died leaving property worth nearly \$250,000.

The Capitol Commission, having approved the abstract of title of the Hunt site, upon which to build the new Capitol, the property was formally taken over by the commission for the Commonwealth.

The State Board of Valuation and Assessment fixed the assessment of the Lexington and Eastern Railroad Company for franchise tax purposes on a valuation of \$7,500 a mile, and of the Tennessee Central Railroad Company at \$4,000 a mile.

Six new witnesses were introduced by the prosecution in the Barbour-Hagan murder case at Shepherdsville. They testified that Hagan was killed while running from Barbour and that he had not made any hostile demonstrations immediately preceding the shooting.

The cases of the Commonwealth vs. W. S. Taylor, Charles Finley and John L. Powers, fugitives from justice, charged with murder and conspiracy, were formerly called on the criminal docket of the Franklin Circuit Court at Tuesday's session. They were passed on motion of the Commonwealth, as they have been at every term of the court since indictments were returned against the parties.

President Roosevelt spent two busy hours in Louisville Tuesday as the warmly welcomed guest of the city. He left his train at the Southern end of the city and was escorted through the streets to the music of bands and the cheers of many thousands of people. A stop was made at the courthouse, where Gov. Beckham introduced him to a great mass of citizens to whom he delivered a short address. In the presence of a few invited guests at the Louisville Hotel he was presented with a silver flagon, a silver vase and a silver mounted inkstand.

The defense in the Barbour trial at Shepherdsville introduced all of its witnesses. It is thought that the case may go to the jury Saturday. Dr. H. H. Grant, who performed the operation on Hagan, was called as a witness for the defense. He said his examination of the wound showed that the bullet which produced death had entered from behind. Hugh Downey testified that Hagan had given him a gun and promised him money and property if he would kill Barbour. Attorneys for the Commonwealth say that they will introduce witnesses who will impeach the testimony of Downey.

Fully one thousand indictments have been returned during the past two months by Kentucky grand juries against the Standard Oil Co. The lowest fine upon conviction is \$50 in each case. This would mean \$50,000 in fines, of which \$25,000 would go to the Commonwealth's attorneys, \$12,500 to the County attorneys, and \$5,000 to the Circuit Clerks, leaving \$7,500 for the State--not a cent for any county. What does the company care for little things like fines? If they are assessed and collected, the price of oil will be advanced, and the consumer will pay the fines, that's all. We suggest to our law-makers that the law be changed and imprisonment for violating the law be provided, instead of fines. There would be fewer violations of the law and less work for the Circuit Courts. Shelby Record.

LAST HOPE VANISHED.

When leading physicians said that W. M. Smith, of Pekin, Ill., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for Consumption, Coughs and Colds, kept him out of his grave. He says: "This great specific completely cured me and saved my life. Since then, I have used it for 10 years, and consider it a marvelous throat and lung cure." Strictly scientific cure for coughs, sore throats or colds; sure preventative of Pneumonia. Guaranteed, 50c and \$1 bottles at all druggists. Trial bottles free.

The executive order issued by the President for the guidance of the Canal Commission was made public in Washington Monday. The President virtually carries out his plan for the reduction of the number of commissioners by making three of the seven virtually the working force of the body. But one member of the old commission was reappointed.

Keep your bowels regular by the use of Chamberlain's Stomach and Liver Tablets. There is nothing better. For sale by Chas. C. Davis.

CITIZENS BANK

-OF-
BRODHEAD, KENTUCKY.

It is with pleasure we desire to call your attention to the Citizens Bank, of Brodhead, Ky., and state some of the advantages that are gained by being one of our depositors. The Bank began business on January 7th, 1905, and its growth up to the present time has been remarkable and very satisfactory to the stockholders. We enjoy the distinction of being the only bank in this part of the State that began paying 3 per cent. on deposits, believing that when a person left as much as \$100.00 or more on deposit for six months without checking, that they should derive some of the benefits. We are equipped with the best burglar proof, screw-door safe that could be made, and people have come miles to see it and pronounced it the most wonderful piece of mechanism they had ever seen. The safe is made of the best steel with a screw door one foot in diameter, and set within the door is the time movements by which the door is locked. The safe is set within a brick wall that is 23 inches thick. We also have a vault door that closes with twenty bolts and weighs 3,000 pounds. We most cordially ask you to visit the bank and examine it for yourself and see if it is not a safe depository. Remember we pay 3 per cent. on as much as \$100.00 or more when left six months.

We offer to the people a safe and conservative banking system. We ask you to give us your business and we guarantee a pleasant and profitable relation.

Trusting to have the pleasure of meeting you personally, I am,

Yours very truly,

J. W. HUTCHESON, Cashier

HIATT.

Mr. and Mrs. J. J. Smith are visiting Mr. J. M. Cress at Preachersville. A new grand daughter is an attraction. Mr. Ross Hiatt, of Louisville, is visiting relatives here. Mr. A. C. Hiatt was in Louisville latter part of last week and bought a nice bill of goods. Miss Annette Tate who has spent some weeks here, returned to her home Sunday. Mrs. Lauretta Hiatt, who has been ill for some time we are glad to say is convalescent. Mr. A. C. Hiatt has extended his store-room and will increase his stock of goods. Miss Rose Fuget spent last week with her sister, at Berea. Mr. A. C. McClary went to Williamsburg Saturday to attend school. He will take a normal course. We are glad to see Joshua Roreing, Jr. out again. Mr. A. C. Hiatt sold to J. M. Cress a nice bunch of shoats for a reasonable price. Born, on the 3rd, to the wife of Chas. Sargent, a fine girl.

ABOUT RHEUMATISM.

There are few diseases that inflict more torture than rheumatism and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale by Chas. C. Davis.

LAND, STOCK AND CROP

According to the crop report issued Friday by the Agricultural Department, the percentage of wheat remaining in the hands of the farmers is 20.1 or 111,000,000 bushels; corn, 38.7 per cent. or 954,000,000 bushels, of oats, 38.8 per cent. or 347,000,000 bushels.

M. J. Farris, who owns 2,400 acres of bluegrass land in Boyle county, is farming on an extensive scale. Last fall he sowed 600 acres of wheat, which is looking exceedingly well and from which he expects to harvest 12,000 bushels. He is now breaking ground for 400 acres of corn. Advocate.

Where alfalfa can be grown successfully hog raising may be made profitable. Alfalfa seems to furnish the exact material necessary to build up a healthy pig and to keep him going exactly right. But hogs fed on alfalfa need corn as a necessary addition. Corn and alfalfa work well together and the corn ration should be very small for young pigs and increased gradually up to the fattening period. Alfalfa pasture helps out and a little corn simplifies the hog-raising proposition and the more easily places it on a profitable basis. Ex.

THE RIGHT NAME IS DEWITT

DeWitt's Witch Hazel Salve cools, soothes and heals cuts, burns, boils, bruises, piles and all skin diseases. K. E. Zickefoose, Adolph. W. WHEN THE CHILDREN FALL TO SLEEP.

When the sun has lost his splendor, And recalls his shafts of light, From the boundless courts of heaven, Followed by the steps of night, Then it is that fancy's fingers, O'er the chords of memory weep, In response to mother's droning, When the children fall to sleep.

Strewed the carpet is with wreathes, Like the sands upon the coast; Where the ship with steams have wrestled,

But were cast ashore and lost; Here's a little gipsy jacket, There a worn and muddy shoe, Little frocks, and caps and stockings, All too small for me or you; Little forms have lost their motion On the verge of slumber deep; Loving mother waits and watches When the children fall to sleep.

Can it be--the mother questions, While a pain assails her heart-- That the future bears conditions That shall rend these tender parts? Shall the gay saloons of fashions Hear the fall of Jennie's feet? Can my Robert be a drunkard, Wandering aimless o'er the street? Can it be some wicked haw? Holds a place for little May? God of heaven, smite each evil That may tempt my child to stray!

O the fears that mock and menace! Though we strive to do the right, In the battles of the bosom Hope is often put to flight; Mother love can span the chasm O'er the future dark and vast; Hope survives the contemplation, Faith is anchored, sure and fast; Mother love, through hours of darkness, Prayer sustained, it watch shall keep;

Over bed and tomb extended, When the children fall to sleep, JOSEPH CRITTENDEN BOLAN, Louisville, Ky., March, 1905.

THE VERY BEST REMEDY FOR FOWEL TROUBLES—NO FAMILY CAN AFFORD TO BE WITHOUT IT.

"I regard Chamberlain's Cough, Cholera and Diarrhoea Remedy as one of the very best remedies for bowel troubles," says Mr. J. W. Hanlon, editor of the Despatch, Ocala, Fla. "I make this statement after having used the medicine in my family for several years. I am never without it." No family can afford to be without a bottle of this remedy in the house. It is certain to be needed sooner or later. For sale by Chas. C. Davis.

PRESIDENT'S TRIBUTE TO LOUISVILLE.

Just before his train pulled out from the Seventh-street depot President Roosevelt said:

"I have never seen a more beautiful city. I have never been treated with more courtesy and kindness. I will never forget Louisville as long as I live."

On passing the Confederate and Union veterans the President said:

"This is the best part of my visit. To see the men who fought in two armies in the great war standing side by side to greet me is enough in itself to make my visit pleasant."

CHEATED DEATH.

Kidney trouble often ends fatally, but by choosing the right medicine, E. H. Wolfe, of Bear Grove, Ia., cheated death. He says: "Two years ago I had kidney trouble, which caused me great pain, suffering and anxiety, but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." All druggists guarantee them, at 50c.

RELIGIOUS

Dr. Washington Gladden, who has so vigorously opposed the acceptance of a gift of \$100,000 from John D. Rockefeller for missionary purposes, Sunday preached a sermon, in which he declared that the great problem of today is the Christianization of industry and traffic. He declared that the State is a divine institution and that all its various officials are as much ministers and as much bound by the rule of Christiania conduct as he.

Seventy government officials were present in state at the recent opening of the Free Methodist College at Wen Chow, China.

Fifty thousand persons are engaged in the study of missions on this continent. Two thousand members of the Student Volunteer Movement have already sailed for the foreign field.

LARGER ACREAGE FOR TEXAS.

What bids fair to become a great and important industry in the coast country of Texas is the cultivation of tea, though the infant is yet in its swaddling clothes. The farm on which the Government is conducting an experiment with tea culture is near Mackay, in Wharton county, on the New York, Texas and Mexican railroad, and is under the direction of Mr. Fred W. Clark. According to Mr. Clark, twenty-five acres were planted in tea plants in February, 1904. The scions were set in rows five feet apart and two feet on the row. The first year they attained a growth of two feet. This spring they were cut back one foot in order to make them bush. Notwithstanding the severe cold of this winter, a thing so unusual for South Texas, the plants have suffered no damage beyond the slight singeing of the leaves. The roots and wood were not hurt at all. The plants will yield some tea this summer, but nothing like a crop need be expected until the plants are three years old. Twenty-five bushels of seed have been planted this spring for securing scions to plant 100 acres more next fall.

Mr. Clark states that the tea farm is located in black, sandy, Colorado bottom land, and as far as the experiment has progressed, the soil and climate seem to be most propitious for growing and maturing tea successfully and profitably.

Throughout the entire section the Yewpan grows to perfection, and it also grows in South Carolina, where tea has been successfully grown, and in both States the leaves of the Yewpan were used by many people during the Confederate war as a substitute for green tea, the respective beverage being very much alike in taste and stimulating effects. Thus it seems that Yewpan and tea are closely related and seem to require the same conditions of soil and climate.

Mr. Clark further stated that he was anticipating a visit from Dr. Galloway, of the Bureau of Plant Industry, who would probably visit the farm this spring for the purpose of investigating the progress of a culture experiments in Wharton county.—Pierce, Tex. dispatch to the St. Louis Post-Dispatch.

CHAMBERLAIN'S COUGH REMEDY

THE BEST AND MOST POPULAR

"Mothers buy it for croupy children, railroad men buy it for severe coughs and elderly people buy it for la grippe," say Moore Bros., Eldon, Iowa. "We sell more of Chamberlain's Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold by Chas. C. Davis.

Theodore P. Shouts, president of the Toledo, St. Louis and Western railroad, has been selected by President Roosevelt to head the new Isthmian Canal Commission. Mr. Shouts has accepted the appointment. He is now in Washington conferring with the President and department officials.

Indigestion Causes Catarrh of the Stomach.

For many years it has been supposed that Catarrh of the Stomach caused Indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and expose the nerves of the stomach, thus causing the glands to secrete much instead of the juices of natural digestion. This is called Catarrh of the Stomach.

Kidol Dyspepsia Cure

relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.
